SIOR®

EUROPEAN REGIONAL
CHAPTER

SIOR

FOUNDATION

WOULD YOU LIKE THREE DAYS IN CHICAGO, ILLINOIS, USA IN OCTOBER?

The European Chapter of SIOR is now accepting applications for the SIOR Foundation Student Real Estate Experience Programme. One student will be sponsored to attend the SIOR Fall Conference at The Palmer House Hilton on 12th – 14th October 2023

This experience is an unbelievable chance for a property student (real estate, business, economics or finance programme) to join in a SIOR World Conference in the United States of America.

Selected applicants will be provided with up to \$2,000 of funding to cover conference expenses including registration, hotel, travel and meals provided at the conference. Where possible, each student will share a room with another student attendee.

SIOR (Society of Industrial and Office Realtors) was founded in 1941 to assist in securing manufacturing facilities across the United States to put into service to support production needs for World War II. SIOR is the leading professional office and industrial real estate association. SIOR's strategy for the next five years is to grow stronger internationally.

- SIOR has 3,700 members in 45 countries and 722 cities.
- SIOR represents today's most knowledgeable, experienced, and successful commercial real estate brokerage specialists.

Real estate professionals who have earned the SIOR designation are recognized by corporate real estate executives, commercial real estate brokers, agents, lenders, and other real estate professionals as the most capable and experienced brokerage practitioners in any market.

The student (an under-graduate or graduate student, minimum 21 years old at time of conference) will join SIOR members from around the globe. Attending key note speeches, seminars, networking events and exhibitions with circa 1,000 property experts, this is an amazing opportunity for a student to broaden their personal and professional horizons.

Students are required to make a one-minute original video outlining why they should be chosen for this trip. The style, format and content of the video is up to the student and he/she should use his/her own ingenuity, wit, professionalism and presentation skills.
