

STUDENT REAL ESTATE EXPERIENCE IN BERLIN, GERMANY

EUROPEAN REGIONAL
CHAPTER

WOULD YOU LIKE THREE DAYS IN BERLIN, GERMANY IN JULY 2024?

The European Chapter of SIOR is now accepting applications for the SIOR Foundation Student Real Estate Experience Programme. Four European students will be chosen to attend the 4th SIOR International European Conference at the InterContinental Berlin, Germany on 17th - 19th July 2024.

This experience is an unbelievable chance for a property student (real estate, business, economics or finance programme) to join in a SIOR International Conference in Berlin, Germany.

Selected applicants will be provided with up to \$2,000 of funding to cover conference expenses including registration, hotel, travel and meals provided at the conference. Where possible, each student will share a room with another student attendee.

SIOR (Society of Industrial and Office Realtors) was founded in 1941 to assist in securing manufacturing facilities across the United States to put into service to support production needs for World War II. SIOR is the leading professional office and industrial real estate association. SIOR's strategy for the next five years is to grow stronger internationally.

- SIOR has 3,700 members in 46 countries and 723 cities.
- SIOR represents today's most knowledgeable, experienced, and successful commercial real estate brokerage specialists.
- Real estate professionals who have earned the SIOR designation are recognized by corporate real estate executives, commercial real estate brokers, agents, lenders, and other real estate professionals as the most capable and experienced brokerage practitioners in any market.

The student (an under-graduate or graduate student, minimum 18 years old at time of conference) will join SIOR members from around the globe. Attending key note speeches, seminars, networking events and exhibitions with circa 400 property experts, this is an amazing opportunity for a student to broaden their personal and professional horizons.

Students are required to make a one-minute original video outlining why they should be chosen for this trip. The style, format and content of the video is up to the student and he/she should use his/her own ingenuity, wit, professionalism and presentation skills.
